## A word from our Rector

---

Dear Friends,

“Get out there, beyond the confines of these four walls, and *do* something!”

One frequently hears something like this as a pious exhortation among church-folk. To a certain extent it makes sense. The Christian project is not (or should not be) an institutionally self-absorbed enterprise. And yet...

An attitude may have crept in—that what we do, as the gathered Church, is at best, unimportant, and more often than not, perhaps an unworthy self-indulgence.

But how could we possibly so dismiss Word and Sacrament—both of which occur, on their regular basis, within a Church setting? Is this not the place from which the Lord sets forth and empowers our Mission as Christ’s People?

Here’s an analogy to consider: Suppose, some evening, that someone we love was gripped by terrible chest pains. Of course, we’d call 9-1-1 right away. But suppose there was no answer, even after trying a few times. We might then get our dear one in the car, and drive as fast as we could to Cape Cod Hospital.

And—supposing one more time—once we got there, we found the place barely staffed, and the few there obviously no longer up to their various jobs. If we asked what was going on, how satisfied would we be, if we were told, “Well, the management of this place kept telling us, ‘Stop being so obsessed with health care. Get out there, beyond the confines of these walls, and do something important for a change.’” Might we not then feel—rather strongly—that the Hospital had forgotten why it was there, to begin with? That it, after all had its own critical mission? Might we not question if the folks in the Hospital’s management were in the right line of work?

So, dear ones: What we do in *this* place, as Church, matters too. Very much so. It’s not everything that needs to be done in human community; not a replacement for everything else—but it is indispensable.

If we are going to be of any real good to the world, we ourselves must be **transformed**. In the words of the Collect for the First Sunday of Advent: “Give us grace to cast away the works of darkness, and put on the armor of light.” We don’t get to transformation merely by “doing more stuff.”

Our formation—together, in fellowship as the gathered People of Christ — matters. Word and Sacrament are the very source of our mission: worthy of our respect, worthy of our cherishing, and worthy of our whole-hearted, joyful, and confident engagement.

Even so, Come, Lord Jesus.

Stand at the entrance for a period of time. Gaze at the patterns that make the labyrinth. Commit to an inward focused experience, free from distractions. Walking the labyrinth is a gift to you. There is treasure to be found and cherished.

At the Church of the Holy Spirit a group of people walk together on the second Friday of every month at 10:00 AM. On December 11 we will meet as usual at 10:00 AM and gather again at 5:30 PM for Holy Eucharist celebrated by Rev. ## A HUGE "THANK YOU" FOR A WONDERFUL HOLIDAY ANTIQUES SHOW AND SALE!!

I want to thank the parish for the wonderful support for the 38th Annual Holiday Antiques Show and Sale. Your help as patrons and volunteers has allowed us to have another successful year. THANK YOU ONE AND ALL! Thank you for taking the time to respond as patrons, volunteering to obtain donors and sponsors, covering the "gate," printing labels, setting up the program listing for the show, working in the kitchen, helping to set up and close down the show and sharing your time, skills, and talents in so many other ways. Your blessings that you have so willingly shared to make this event successful are truly appreciated. The true sense of community that surrounds us here at the Church of the Holy Spirit makes this event so very special every year. May God's blessings be with all of us as we look towards the celebration of Christ's birth.

Thank you, Debbie Meguerdichian, Chair

## STEWARDSHIP CORNER

### Thank You

Thank you to those who have made a 2016 financial pledge to The Church of the Holy Spirit. Your support is critical to our ability to continue our good works. Through November 30, we have received 142 pledges for a total of \$287,582. If you have not yet made your pledge, we hope you will do so as soon as possible. The 2016 budget development is underway and we rely on your pledge to fulfill our financial obligations. If you did not receive a pledge card, please call the office.

For those who indicated their pledge would be paid on a weekly or monthly basis, 2016 Offertory Envelope boxes will be placed in the Reception Room the week of December 7<sup>th</sup>. PLEASE HELP US SAVE POSTAGE and PICK UP YOUR ENVELOPE BOX. The boxes include 8 special offering envelopes as follows:

- **Initial Offering** - a \$3 donation defrays the cost of the envelope boxes and is applied to the Stewardship budget.
- **Theological Education Offering** - Our combined annual donations are given to an institution, chosen by the Rector, for the advancement of theological education.
- **Birthday Offering and 5 other envelopes for specific days during the church year** (Ash Wednesday, Good Friday, Easter, Thanksgiving and Christmas). Donations made using these envelopes are included in our overall income for the current year.

Donations made using these 8 additional envelopes are recorded on your giving statements but are in addition to your annual pledged amount. Have a blessed and Christ-filled season and healthy and Happy New Year!

*The Lord has done great things for us, and we are glad indeed. Psalm 126:4*

### DID YOU KNOW?

To my knowledge this is the first time in CHS history that we have four couples currently singing in our choir: Fay and Ike Cole, Anne and Steve Koehler, Diana and Chris Crighton, Darlene & John Hagon. And we are also blessed with Emeritus members Charlie and Elinore Wood; and Donna Tavano and son Jon Idman.

### UPDATE OF THE PICTORIAL DIRECTORY

Some of you are asking when the new Directories will be here. Mid November we sent all the information in to Lifetouch for production, with as many corrections as we have received to date. We understand that the production period is 6-8 weeks, so we should receive copies early in January.

Your Team: Celia Calhoun, Bernie Hutchens, Page McMahan, Sharon Inger and many volunteers who have helped us along the way.

### THE FREE SHOP

The Free Shop is gladly accepting winter clothing and Christmas decorations! We are hoping that the Free Shop will be on your list for holiday shopping—stop by on Monday (Noon to 3) or Wednesday (10 - 1)! Your donations can be dropped off any time the Parish Hall is open. If the shop is closed there is a container outside the Free Shop door. Thank you for your continued support during this holiday season and the winter months!

## ENVIRONMENTAL STEWARDSHIP – YOU CAN HELP

I recently watched the documentary film “Bag it – The Hazards of Plastic in our Environment”. What starts as a film about plastic bags evolves into a wholesale investigation into plastic's effects on our oceans, environment, and bodies. We saw how our crazy-for-plastic world has finally caught up to us...and what we can do about it. Here are some alarming statistics about plastic:

- Scientists estimate that 100,000 marine mammals and a million seabirds die every year by ingesting plastic or becoming entangled in it.
- It is estimated that 8 million tons of plastic debris enters the ocean every year.
- 90% - about 270,000 tons – of all marine debris floating on the ocean surface is plastic.
- The US produces 32 million tons of plastic waste annually. Only about 9% is recycled.
- Plastic bags, plastic jugs, Styrofoam cups, fishing lines, and glass bottles last ***forever***.
- Aluminum cans last 200-500 years. Tin cans last 80-100 years.

### We can make a difference! REDUCE – REUSE – REPURPOSE – RECYCLE

- BAN THE BOTTLE – Drink tap or filtered water in a reusable environmentally safe container.
- CAN BPA – The lining that coats almost 75% of cans of vegetables and other foods contains a chemical called bisphenol A (BPA) which studies report increases the risk of cancer. Since it is impossible to tell which cans contain BPA, you can avoid the whole issue by choosing fresh or frozen foods.
- RECYCLE your paper, plastic, glass and metal.

CHS has an effective recycling program that greatly reduces the amount of material going into our landfills. If you are interested in joining this Recycling Ministry, please contact me at [jacksasso@hotmail.com](mailto:jacksasso@hotmail.com) or 508-255-1732.

## CAPE COD COUNCIL OF CHURCHES

The Christmas season is here and has been since Thanksgiving if we believe all the toy commercials and Christmas music in the stores. But imagine how all this commercialism affects parents who can't provide much of a Christmas for their kids.

Fortunately, there are several toy distribution centers on the Cape where they can “shop” without money. One of the larger is operated by the Cape Cod Council of Churches through their Hands of Hope Outreach ministry in Harwich. Last Christmas families with 632 children were allowed to select several toys for each from the Hands of Hope distribution center.

For many years, CHS has supported this program by donating the toys collected at our Epiphany Troupe. In early December, toys collected at last year's Troupe will be brought down from the parish hall attic where they have been stored and will be delivered to the Council's distribution center. **Please participate in the Epiphany Troupe by donating new, unwrapped toys and please be as generous as possible. The need is great.** — Janet & Bob Winter, CHS Delegates, Bill Heuss, Public Policy Ministry
