

Help Wanted

At the Vestry Planning Retreat on March 10th, the focus was on creating implementation plans and a timeline for the exciting ideas generated by the Re-Imagining project that began with a parish wide survey last year.

We're off to a great start, but it is clear that

WE NEED YOUR HELP to accomplish all that we hope to.

We are looking for a few generous volunteers willing to step up to help in the following areas.

ALL OF THESE CAN BE SHARED ACTIVITIES SO EVEN "SNOW BIRDS"

CAN STEP UP TO HELP.

Public Relations

One of the main themes that emerged from the survey was "a heightened presence in the community."

We need someone to coordinate advertising and publicity in the community/Press releases.

Social Media

Church of the Holy Spirit could benefit from an **Instagram account** that would appeal to the demographic we are hoping to attract. Perhaps this person could also keep our **Facebook** page updated.

Graphic Design

Do you have skills to create appealing brochures, reports, displays, etc.?

Please contact Adam+, Rick Paris or Cynthia Murray

to learn more about any of these opportunities

and to help us achieve our parish goals.
